

m#100th FAIR

September, 2006, Church School/Fair

Rector's Notes

It is a very unique experience to be a part of a Centennial or 100th Celebration of anything and I am honored and thrilled to be a part of Emmanuel's 100th fair which will be held on Saturday, September 16th.

Even though a goal of the fair is to raise money to support our ministry in the world, there is an element of the fair that is more important in my mind. That element is the opportunity to work together with our fellow members.

For many weeks, beginning early in the year, small groups have been working together in planning and preparing for the fair. As fair week begins, almost everyone (including

friends in the community) traditionally become a part of the presentation of the fair itself. This time of working together gives us all a sense of community, which to me is the essence of what it means to be a Christian in the world.

I hope everyone in our parish will take this opportunity to come and work at this very special fair (*this Messenger is filled with opportunities to help*) and experience anew God's spirit as we have found it here at Emmanuel.

Thank you for making Emmanuel a light in the community and in the world.

Peace,

David

Good News”. This program follows the lessons that we are reading in church with the intention that families will have the opportunity to experience, at a variety of levels, the Bible stories appointed for the day.

We are blessed that our wonderful staff is returning for another year. They are as follows:

2-5 Year Olds—Cubby Hickcox -
Kindergarten and 1st Grade— Leigh Corra and Barbara Stephen
2nd and 3rd Grades— Kelly Adams, Kathy Russell, Barbara Schwertley and Laura Watanabe
4th thru 6th Grades—Patty Turner and Megan Brooks

In addition to teaching, Barbara Stephen is serving as Church School Coordinator.

We encourage your regular attendance and full participation in our program and we invite you comments question and help. Additionally, we are always seeking volunteers to assist our teachers as substitutes and helpers for special events.

Emmanuel Family Happenings:

Farewell to the Davis Family:

On Sunday August 27 we bid farewell to the Davis Family. Kate, Steve, Cameron and Phoebe were honored on their last Sunday at Emmanuel before they move to New Jersey.

Over the past four years, the Davis' have provided energy and leadership in a number of areas of our Emmanuel's life. Kate has been a leader in outreach, serving on our internal committee and also serving on the board of CCA (Christian Community Action) in Norwalk which has been one of the ongoing recipients of Emmanuel outreach efforts. Additionally, Kate has been a teacher in our church school program and served as the Chair of the Silent Auction at our 99th Fair.

Steve also has provided leadership and energy as a Minister of Communion, a Vestry member, Stewardship Chair and as a member of the finance committee.

Both Cameron and Phoebe were very active in our church school program and played key roles in our pageants and in the church school's leadership of outreach projects: ie. Heifer Project; Souper Bowl; Bishops Fund for Children and others.

We will miss them greatly but we are thankful for their faithful and generous service among us and we wish them Godspeed.
